About Us

Life becomes more prosperous when small steps are followed by larger ones. We, Mishkon Research Labs Limited, believe in this statement and with ambitious growth plans, we started business in 2008. Today, we are one of the leading manufacturers and suppliers of pharmaceutical tablets and capsules. Our product range includes Esimo-DSR Capsules, Konly Capsules, Fabcro Tablets, Micez-M Tablets, Kamof-OZ Tablets, etc., which all are safely formulated in our facility in Ahmedabad, Gujarat, India. We have employed a group of highly qualified professionals at our production unit, who guarantee that each work is finished on schedule and with utmost client satisfaction. Providing quality-based pharmaceutical tablets and capsules to our customers has always been our first concern. For this, we choose trusted companies for sourcing raw and effective ingredients. Also, we invest largely in our quality checking department to ensure the utmost efficacy and safety in products.

With a large and quality-oriented product portfolio, we, Mishkon Research Labs Limited, have become a name to rely on by medical institutions and pharmacists. Our company possesses fifteen years of experience in the Pharmaceutical Industry. Products in which our company has gained expertise are Konpan Capsules, Mikrab Capsules, Mikovit Tablets, Misnus Tablets, and others. We are an Ahmedabad, Gujarat, India-based company that focuses on manufacturing and supplying its products to customers nationwide. We can supply 1000 syrup bottles every week, depending on the orders of our customers. Backed by a reliable logistics network, we promise the delivery of all the consignments within 3 to 7 days. Also, we keep customers informed about changes in the functioning of the business.
